

## CARDLOCK VENDING

### Cardlock Vending's CRE-HL Card Reader Enclosure

Our basic all steel cardreader enclosure with security light, steel legs and base mounting plates.

Provides protection for your customers and your cardreader!! Shades card reader from direct hot sun exposure, helping to protect the electronics from heat damage. The CRE-HL provides a dry area for literature & credit applications. Night lighted for added security. Adaptable to any card reader. Standard color is white, other colors are available.
